

RED TABLE isn't just a dinner. It's an evening that begins with the first course and ends with a memory.

Reservation and Voucher Usage Policies

Voucher Terms and Conditions

A RED TABLE voucher is an invitation to a unique dining experience at a single table. To ensure that we can prepare RED TABLE each evening in the manner it deserves, there are a few basic rules that must be followed when making a reservation.

By purchasing this voucher, you agree to the terms and conditions of use listed below.

Voucher Validity

The voucher is valid for 1 year from the date of purchase. After this period expires, the voucher is no longer valid and cannot be redeemed or extended.

Booking an Appointment

To redeem the voucher, you must reserve a specific RED TABLE date in advance. Reservations must be made no later than 2 weeks before the desired date.

When making a reservation, please provide the following:

- selected date
- any food allergies or intolerances
- whether you prefer a meat-based or vegetarian menu

Availability of Dates

The voucher does not guarantee a reservation for a specific date. Each RED TABLE evening has limited capacity, and reservations are only accepted until capacity is reached.

We therefore recommend making a reservation well in advance.

If your desired date is already booked, you can choose another available date within the voucher's validity period.

Voucher Refund

Purchased vouchers cannot be returned or exchanged for cash.

We do not refund the cost of purchased vouchers, even if the voucher has not been used.
