

## Terms and Conditions for Redeeming a Red Table Voucher

### 1. Validity

The voucher is valid for 1 year from the date of purchase. Once this period has expired, it can no longer be redeemed, and its validity cannot be extended.

### 2. Refunds

The voucher cannot be returned or exchanged for cash. We do not refund the cost of a purchased voucher, even if it has not been used.

### 3. Booking a Date

The voucher holder must confirm their attendance for the chosen date at least 2 weeks in advance. When booking, please state:

- the chosen date,
- any food intolerances or allergies,
- whether they prefer a vegetarian menu.

### 4. Availability

Bookings are subject to availability. The voucher does not guarantee a place on a specific date, so we recommend booking well in advance. If the chosen date is fully booked, you may select another available date within the voucher's validity period.
